WEEKLY GAME SAMPLES!

Minus my dice. You will play your own golf ball and record your score. The fun starts at the end of your round when you hand in your score card you will roll 2 dice whatever you roll you will subtract from your over all score!

Throw out your two worst holes. Yes, ONLY TWO!

Mystery Holes. Three holes will be chosen by the pro and they will be an automatic par.

Blind Partner. You will play your own golf ball through the round and record your score and turn it in to the golf shop. Everyone who plays will be paired with a partner decided by pros and will be disclosed after the round.

Hate'em: Before teeing off, circle the 3 holes on your scorecard that you hate the most. Record your actual score for handicap reasons, but when we score the game, we will award you with a par. Low score wins!

Beat the Pros. Your net score against the pros gross scores. Your net score will be made up after you throw out your two worst holes. So your 7 hole score will be up against the pros 9 hole score.

Low Net with a Twist. Player with the lowest net score win, with a twist. After your round you come back and pick a card numbered 1 to 9 face down and whatever number you pick will not count that hole number on your scorecard.

Most 4's, and 6's. The player with the most 4's only and 6's only wins.

Par 3 Beat the Pro: The Pro will play his ball from the Par 3 selected that week and you must Beat the Pro by getting your ball closer to the pin from the tee!
